

Middle School Confirmation Celebration

We had an incredible year of Confirmation/Middle School Ministry. God did some pretty amazing things in our lives and our hearts. May 2nd was the final night of confirmation and our students, parents and leaders celebrated together by watching a highlight video and sharing testimonies of how God worked in their lives this past year.

We reflected on what God has done this year by looking back...

- 33 students and leaders attended the local Dare2Share Live event where they were equipped to have Gospel conversations and bless those in our community
- Middle schoolers and their leaders brought in over 4,500 food items for Crossroads Mission during the Harvest Food Gathering
- 24 students attended Recharge, a weekend camp experience at Riverside Lutheran Bible Camp
- Gifts totaling more than \$2100 were purchased for area children/teens on Christmas Gift Night
- 15 middle schoolers and leaders attended the Ignite Student Leadership Conference in Des Moines
- Small group leaders and students met in leaders' homes creating memories and having fun
- 8th graders wrote their faith statements to be shared at the Confirmation Day service

Praise God for a wonderful year of Confirmation!
