GAME CHANGERS - LET'S GO!

On *Sunday, May 7*, The Crossings will be filled with ballpark and stadium foods along with games and joyful smiles! Our ministry fair will give you an opportunity to see where you can get in the game and become a **GAME CHANGER** for the kingdom of Christ. There will be ministries featured which take place inside the walls of St. Mark's and mission opportunities outside our church walls.

This year's theme is "Let's Go!" Whenever a sports team is trying to amp up its effort in reaching its team goals, they might yell "let's go" to get the players pumped up. We hope you will get pumped up to serve in the name of Christ in a way that will make an eternal difference in the life of others.

Think about the child in Children's Ministry who becomes a believer in Christ because someone

offered to spend an hour a week volunteering. Or how about the person who's greeted at our doors and feels a first welcome to what will become their new church home? Perhaps the tech area is the place for you, where you can help the gospel, worship, and music be creatively and effectively presented. Whether it's serving a meal, helping with property upkeep, caring for nursery children, or leading a small group, God's Kingdom work is accomplished through the many hands and hearts working together.

Jesus was the ultimate Game Changer. He took our helpless situation of sin and darkness and through his life, death, and resurrection, ushered in new life to all who believe. He calls us to be a part of his mission: "Follow me, and I will make you fish for people" he told his disciples (Matthew 4:19). Imagine the disciples turning to one another and saying, "Let's go"! You are invited to become a Game Changer with Him. Let's goooo!

—Pastor Perry Fruhling
