

On October 18 we celebrated **Rod Felton** and all he has done over the last year in serving in our high school ministry. Rod will be returning to Nebraska to re-join his family as he has accepted a position at Hastings College. He will be missed! Please join us as we pray for Rod and thank God for him.

Last week we announced that **Travis Thompson** is joining the St. Mark's staff as interim High School Ministry Coordinator! This part-time position will provide support to The Edge, as well as the mission trip, and more. We are excited to have Travis join us in this way!

### **New Series Starts November 1**

The Edge will begin to study Proverbs in a series called "How to Ruin Your Life" by making examples of popular behaviors and teaching what the Bible has to say about that. For example, the first week is about how to start a fire with your phone. It's about the power of words and social media accountability. We start fires by saying what we want without considering how words can affect relationships. **It's all at The Edge from 7:30 – 9:00 pm on Wednesday nights!** You will definitely want to be part of this amazing series!

### **Mission Trip Reveal!**

Parents and students! Join us on **Wednesday, Nov 8 - 7:00 pm, in Life Worship Center** as we announce the 2018 High School Mission Trip! We can't wait to tell you about it - it's going to be AWESOME!

### **Scavenger Hunt, Grill Out and Bonfire - Saturday, November 11 at 2:30 pm**

Let's have some fun before the snow flies! Meet in The Crossings at 2:30 pm where your adventure will begin. Once your mission is complete there will be a bonfire, food, games! Friends welcome!
